KTC Statement Against Illegal Construction Activity

PRISTINA---The Kosovo Transitional Council today unanimously issued the following statement against illegal construction activities in Kosovo:

“The Kosovo Transitional Council expressed its concern on the widespread illegal construction activities.

“The KTC members strongly agreed that all illegal construction has to stop.

“They fully support all measures taken by UNMIK and the JIAS institutions to stop illegal construction activities and honour the late Rexhep Luci in carrying on his mission.

“They also encourage UNMIK, KFOR and the JIAS institutions to intensify their efforts in establishing law and order.”
